Melatonin Special Authority cancellations

Melatonin was funded from 1 July 2017 for patients aged 18 years and under with insomnia secondary to a neurodevelopmental disorder. Several Special Authority approvals for melatonin have been granted via the electronic Special Authority system to patients aged 19 years and over. We are working with the Ministry of Health to cancel the Special Authorities approved in error. Prescribers have been advised of the cancellations for their patients and pharmacists have been asked to check melatonin Special Authorities prior to dispensing. Patients whose Special Authority has been cancelled are advised to talk to their prescriber. For more information see the PHARMAC website www.pharmac.govt.nz/ melatonin.

Pharmacists play an important role in supporting patients through the venlafaxine brand change and a Brand Switch Fee will be applied to dispensing of Enlafax XR from 1 September 2017 to 30 November 2017.
