Renewal — Infants up to 12 months of age

Current approval Number (if known):.....

Applications from any relevant practitioner. Approvals valid for 6 months.

Prerequisites(tick boxes where appropriate)

- Patient has IgE mediated allergy
- and**
- Patient remains allergic to cow's milk
- and**
- An assessment as to whether the infant can be transitioned to a cow's milk protein, soy or extensively hydrolysed infant formula has been undertaken
- and**
- The outcome of the assessment is that the infant continues to require an amino acid infant formula
- and**
- Amino acid formula is required for a nutritional deficit
- and**
- It has been more than three months from the previous approval

- or**
- Patient has non IgE mediated severe gastrointestinal intolerance (including eosinophilic oesophagitis, ultra-short gut and severe immune deficiency)
- and**
- An assessment as to whether the infant can be transitioned to a cow's milk protein, soy, or extensively hydrolysed infant formula has been undertaken
- and**
- The outcome of the assessment is that the infant continues to require an amino acid infant formula
- and**
- Amino acid formula is required for a nutritional deficit
- and**
- It has been more than three months from the previous approval

- Extensively hydrolysed formula has been reasonably trialled for 2-4 weeks and is inappropriate due to documented severe intolerance or allergy or malabsorption

and

- The patient has a valid Special Authority approval for extensively hydrolysed formula: approval number
or
 Patient has IgE mediated allergy

Initial application — for patients who have a current funding under Special Authority form SA1557

Applications only from a dietitian, relevant specialist or vocationally registered general practitioner. Approvals valid for 3 months.

Prerequisites(tick boxes where appropriate)

- Patient has a valid Special Authority approval for extensively hydrolysed formula (SA1557)
and
 Extensively hydrolysed formula (Aptamil Gold+ Pepti Junior, AllerPro SYNEO 1 and 2) is unable to be supplied at this time
and
 The approval only applies to funded dispensings of Neocate Gold and Neocate Syneo

Note: This criteria is short term funding to cover an out-of-stock situation on some extensively hydrolysed formula powder funded under Special Authority form SA1557. There is no renewal criteria under this restriction.

I confirm the above details are correct and that in signing this form I understand I may be audited.
